

Surrender

Entwine

I'm on my way
I'm on my way to lose it all
I'm a stranger to myself, I can't go on
I'm all outta space
And I'm surrounded by the wall
I believe that my mind has caught a million storms
Falling down
When you lose all that you are I surrender...
I kneel down I'm outta faith
I think I'm a frail design of life
Deep inside in denial
The shades have grown in silence
I hide my face
I close my eyes
Deep inside in my mind
The pain has grown around me
Falling down
When you lose all that you are I surrender...
I kneel down
I'm dying to find a reason to hold on
