

# It's You

## Chris Salvatore

Go, let it go  
Let it go  
Put it all behind  
For you  
Show, let it show  
Let it show  
That you're  
Not afraid of this  
For you  
And there's only  
One person I know  
That is worth  
All the time in the world  
It's you  
Life, this short life  
This sweet life  
Is all I've got  
I've got for you  
And there's only  
One person I know  
That is worth  
All the time in the world  
It's you  
It's you  
It's you that  
Makes me feel it  
You that  
Makes me feel so alive  
So alive  
It's you  
It's you  
Born, we were born  
We were born  
In this world of hope  
I hope it's you  
And there's only  
One person I know  
That is worth  
All the time in the world

It's you  
It's you  
It's you that  
Makes me feel it  
You that  
Makes me feel so alive  
So alive  
It's you  
It's you  
It's you that  
Makes me feel it  
You that  
Makes me feel so alive  
So alive  
Don't call off  
All your feelings  
And sew off  
All your clothes  
To forget me, to forget me  
All dried up in this weather  
Been tied up since forever  
So let me, just let me  
It's you  
It's you  
It's you that  
Makes me feel it  
You that  
Makes me feel so alive  
So alive  
It's you  
It's you  
It's you that  
Makes me feel it  
You that  
Makes me feel so alive  
So alive  
It's you  
It's you  
It's you  
It's you
