Mine To Love

Dave Barnes

You might wanna close your eyes
It?ll take some time adjustin?
Welcome to your life
You?re everything you?ll someday be

There?s a weight off my shoulder
There?s laughter in the air
You are the answer to every midnight prayer

You?re mine to love
We have all been waitin? on you
You?re mine to love
Come into these open arms
It took some time to wait it out
But I see it now, you?re worth all the dreaming of
You?re mine to love
You?re mine to love

You might wanna take your time
Takin? all this technicolor, yeah
We?re on your side
Let us be the one you need

There?s a life on my shoulder
Laughter in the air
You are the answer to all those midnight prayers

You?re mine to love
We have all been waitin? on you
You?re mine to love
Come into these open arms
It took some time to wait it out
But I see it now, you?re worth all the dreaming
You?re mine to love
You?re mine to love

Every time that my heart was broken
Every time that I?ve lost my wings

I forget when I look into your face

You?re mine to love
We have all been waitin? on you
You?re mine to love
Come into these open arms
?Cause I?m right here
It took some time to wait it out
But I see it now, you?re worth the dreaming of
You?re mine to love
You?re mine to love
You?re mine to love
You?re mine to love

So you might wanna close your eyes
