# 2 Bad 4 U

## Lunachicks

three years I spent at your home
now am I glad that I'm all alone
three years you took and I gave
wasted so much time on the phonei'm so glad that it's finally done
woke from my sleep to find your not the one
by myself I feel it, I like it
you sleep by day & I worship the sun!chorusit's too bad
it's too bad
it's too bad
you'll be fartng alone in a dark roomyour life sucks and you cant be happy
dont try and tell me what I say is not true
I feel better when I dont see your face
I feel better when there is no trace of you
it makes me sick when I think about it
I'm happy here lost in spacechorusit wont be hard for me to forget
all the times you made me so wet!
sometimes my finger is all that I need
and your hand is all your gonna get
