

Boyhunter (ft. Ak'sent)

Skye Sweetnam

Get on your knees
Hands up, get em' upGet on your knees
Hands up, stick em' upGet on your knees
Hands up, get em' upGet on your knees
Hands up, stick em' upI didn't do it
I never did it
I swear it's an accidentMy weekend hobby
Ya, no one stop me
Was out in my truck at night
And I saidGet on your knees
Hands up boys
I just love sayin' that
I'll say it againGet on your knees
Hands up boys
That's right
That's rightWas only aiming
Was only pointing
But I was only looking, lookingCause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees
Hands up boys
I just love sayin' that
I'll say it againGet on your knees
Hands up boys
That's right
That's rightGood looking (good looking)
Mad shocking (mad shocking)
Hard rocking (hip hopin')
Boy tonightI couldn't help it
Just couldn't stop it
Something must've come over meMy midnight joyride
Caught you in headlights
I had to take you home with me
And I saidGet on your knees
Hands up boys
I just love sayin' that
I'll say it againGet on your knees
Hands up boys
That's right

That's right Was only watchin'
Was only wonderin'
Yes, I was only looking, looking Cause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees
Hands up boys
I just love sayin' that
I'll say it again Get on your knees
Hands up boys
That's right
That's right Get on your knees
Hands up, get em' up Get on your knees
Hands up, stick em' up Get on your knees
Hands up, get em' up Get on your knees
Hands up, stick em' up Diggydiggy baby don't act dumb
Get on your knees and put your hands up when I come
Skye and I sleeping you out for your tounge
You try to run and I hunt you down my ak
Hey I look so good
Try to hide from us boy I wish you would
Hop in my ride, take you far in the woods
And let you bury your bone like a big dog should
Get on your knees hands up boys
I just love sayin' that
Don't make me say it again
Cause I'm in it to win
I'm just dissin my aim
Hunt you down turn you into a man Was only aiming
Was only pointing
But I was only looking, looking Cause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees
Hands up boys
I just love sayin' that
I'll say it again Get on your knees
Hands up boys
That's right
That's right This is a stick up
Put your hands up
Im coming to your town
Gonna bust it down Get on your knees
Hands up boys
I just love sayin' that
I'll say it again Get on your knees

Hands up boysHunt you down
