Go Go Dancer

Pizzicato Five

I drop it like it's hot
On the pole, on the pole
Shining in the club
Neon gold, neon gold
They call me firecracker
And alcohol's a factor
I drop it like it's hot
Baby bolt, baby bolt
A little bit of fun
For your soul, for your soul
They call me firecracker
Cause ain't nobody faster
I'm your go-go dancer
Midnight answer
Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like, anything you like
Go-go dancer
Midnight answer
Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like
Go-go-go-go-go dancing tonight
Pushing up my (uh)
In your face, in your face
Keep your fingertips
On my waist, on my waist
I'm your go-go dancer
Credit card romancer
Corner of the road
With the lights, with the lace
Catch me after twelve
In the place, yeah the place
Boy, break out your dollars
Baby needs a new fur

I'm your go-go dancer
Midnight answer

Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like, anything you like
Go-go dancer
Midnight answer
Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like
Go-go-go-go-go dancing tonight
I'm the girl next door
Let me come in
I know I go-go dance
But I do it for kicks
I'll never have to work
'Cause my daddy is rich
I'm partying all night
Shining in the lights
Is it a crime?
To wanna shine
In my white go-go boots
And the silver design
I know it makes you wild
I know it makes you wild (ah!)
I'm your go-go dancer
Midnight answer
Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like, anything you like
Go-go dancer
Midnight answer
Jukebox sweetheart
Queen of the night
Vegas, baby
If you pay me
Anything you like
Go-go-go-go-go dancing tonight
