

I Remember You

[Diana Krall](#)

I remember you
You're the one who made my dreams come true
A few kisses ago I remember you
You're the one who said I love you too
I do, didn't you know? I remember too a distant bell
And stars that fell like rain out of the blue When my life is through
And the angels ask me to recall the thrill of them all
Then I shall tell them, I remember you I remember too a distant bell
And stars that fell like rain out of the blue When my life is through
And the angels ask me to recall the thrill of them all
Then I shall tell them, I remember you
