

# Don't Fence Me In

Harry Connick, Jr.

Well, give me land, lots of land under starry skies above

But don't fence me in

Let me ride through that wide open country that I love

Don't fence me in

Let me be by myself in the evenin' breeze

Listen to the murmur of the cottonwood trees

Send me off forever but I ask you please

Don't fence me in Just turn me loose, let me straddle my old saddle

Underneath the western skies

On my cayuse, let me wander over yonder

Till I see the mountains rise I want to ride to the ridge where the west commences  
Gaze at the moon till I lose my senses

I don't like hobbles and I can't stand fences

Don't fence me in Just turn me loose, let me straddle my old saddle

Underneath the western skies

On my cayuse, let me wander over yonder

Till I see the mountains rise I want to ride to the ridge where the west commences

Gaze at that ole moon until I lose my senses

I can't stand them hobbles and I don't care for fences

Don't fence me in Oh no don't you fence me in
