

Love the One You're With (Single Version)

[Stephen Stills](#)

If you're down and confused
And you can't remember who you're talkin' to
Concentration slips away
'Cuz your baby is so far away Well there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with Don't be angry, don't be sad
Don't sit cryin' of about the good times you had
There's a girl right next to you
And she's just waiting for something to do There's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey love the one you're with
Love the one you're with
Love the one you're with Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with Turn your heartaches run into joy
She's a girl and you're a boy
Get it together, make it nice
Ain't gonna need anymore advice There's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with
