

# Under The Influence

Elle King

Just another morning  
With shaky hands, pounding head  
I guess I did it again  
Try to leave, but I can't stand  
Start to think that I'm better off dead  
I'm sick of this condition  
Your kiss is my addiction  
I can tell you cast a spell that knows no moderation  
It's dangerous, the things we do Under the influence, I got no defense  
It might be criminal, but still I just can't quit  
Under the influence, I'll take the consequence  
Well if it's poisonous, let it take my last breath  
Under the influence Temptation, creeping up on me  
Gets under my skin, won't let me be  
Haunt my days and haunt my sleep, viciously unrelenting  
Oh, lay down again  
Oh, give in again  
And oh, feel good again  
Begging for another beautiful sin  
It's dangerous, the things we do Under the influence, I got no defense  
It might be criminal, but still I just can't quit  
Under the influence, I'll take the consequence  
Well if it's poisonous, let it take my last breath Under the influence, the walls are closing in  
It's inevitable, but I can't see him  
Leaving out the destruction of your love  
Oh, oh Under the influence, I'll take the consequence  
Well if it's poisonous, let it take my last breath  
Under the influence, I got no defense  
It might be criminal, but still I just can't quit  
Under the influence, I'll take the consequence  
Well if it's poisonous, let it take my last breath Under the influence  
Under the influence  
Under the influence
