Around

Noir & Haze

Have you ever felt like youâ€™ve been hurt before?
By the ones that said they only loved you more?

Inflicted pain and scars of sorrow,
like an empty shell I wait for tomorrowâ€¦

I sit here wondering why you walked away
Did I ever do you wrong in any way?

Was it something I said to you that made you change?

There is no more sunâ€¦ there is only cloudy days. Yeah

What goes around will come around and come back and get yahâ€¦

Have you ever felt like youâ€™ve been hurt before?
By the ones that said they only loved you more?

Inflicted pain and scars of sorrow,
like an empty shell I wait for tomorrowâ€¦

I sit here wondering why you walked away
Did I ever do you wrong in any way?

Was it something I said to you that made you change?

There is no more sunâ€¦ there is only cloudy days. Yeah
X2
What goes around will come around and come back and get yahâ€¦
