Receptacle For The Respectable

Super Furry Animals

It took a long time for me to get over
Your incredible ways
And now I'm minded to wipe out the memory
Of the way you behaveYes, as a receptacle
For the respectableI took some time out to study your actions
Of how painted towns red
And if my worst fears came to fruition
I'm sure you'd leave us all deadI was so gullible
And now I'm cynicalBa ba ba ba ba
We're all susceptible
To the incredibleTell me, tell me, tell me again
'Cause it's very inane
Are you pleased to see me suffer ever?Tell me, tell me, explain again
'Cause it's very inane
Are you pleased to see me suffer ever?Tell me, tell me, tell me again
'Cause it's very inane
Are you pleased to see me suffer ever?Tell me, tell me, explain again
'Cause it's very inane
Are you pleased to see me suffer ever?Welcome as a storm cloud in the late December gloom
Subtle as a nail bomb in the head
You came to me in peace and left me in piecesWoo, woo, woo, woo
Receptacle for the respectable
Receptacle for the respectable
