To Love Somebody

Janis Joplin

There's a light, certain kinda light Never ever, never shone on me, no, no Honey, I want, I want my whole life To be lived with you, babeThat's what I want Oh, was to be living and loving you There's a way, oh, everybody say You can do anything, every thing, yeahBut what good, what good Honey, what good could it ever bring 'Cause I ain't got you with my love And I can't find you babe, no I can'tYou don't know, you don't know what it's like No you don't, honey, no, you don't know You don't know what it's like To love anybodyOh honey, I wanna talk about love And trying to hold somebody The way I love you, babe And I've been loving you, babeIn my brain, oh, I can see your face again I know my frame of mind, yeah But nobody, nobody has to ever be so blind Honey, like I did, I know I was blind Honey, I tell you that I was, I was very, very blindOh, but I'm just a girl Can't you just take a look at me and tell Tell that I live, honey, I live and I breathe for you Don't you know I do?But what good, what good Honey, what good could ever do 'Cause I ain't got you, that's all I've ever wanted And I ain't got you, babe, oh, but I've been looking 'roundBut you don't know, you don't know what it's like No you don't, no, no, no, you don't know Honey, you don't know what it's like Oh, to love anybodyOh, honey I wanna talk about Trying to hold somebody when you're lonely The way I loved you, baby And I just want you to know I triedOh, I know that there's a way 'Cause everybody came to me one time and said "Honey, you can do anything Every little thing" and I think I canOh, but what good, what good Honey, what awfully good can it ever, ever bring 'Cause I can't find you with my love And I can't find you babe, oh anywhereOh, but you don't know, you don't know what it's like No, you don't and you never ever, ever did

You don't know, honey, you don't know what it's like Oh, to love anybodyOh, honey I wanna talk about trying to hold you Oh baby, baby, baby, yeah But you don't know, you don't know what it's like And you never ever, ever did I said, "I tried to throw my love around you And I tried to help you, darling"But you never ever, no you never ever No you never ever, no you never ever I know that you know that No you never ever, ever Oh, let me throw my love Throw my love all around you, yeah
