

I'm So Excited

Washington University Stereotypes

(Tonight's the night, tonight we're gonna)
(Tonight's the night, tonight we're gonna)
(Tonight's the night, tonight we're gonna)
(Tonight's the night, tonight we're gonna)
Tonight's the night we're gonna make it happen
(Tonight we're gonna)
Tonight we'll put all other thing's aside
(Tonight we're gonna, gonna, gonna)
Give in this time and show me some affection
(Give in and show us some)
We're going for those pleasures in the night
(Tonight, tonight)
I want to love you, feel you
Wrap myself around you
I want to squeeze you, please you
I just can't get enough
And if you move real slow, I'll let it go
I'm so excited
I just can't hide it
I'm about to lose control and I think I like it
I'm so excited
I just can't hide it
I know, I know, I know, I want you, I want you
(I know, I know, I know, I want you)
(I know, I know, I know, I want you)
(I know, I know, I know, I want you)
(I know, I know, I know)
We shouldn't even think about tomorrow
(I know, I know, I know)
His memories will last a long, long time
(I know, I know, I know)
We'll have a good time baby don't you worry
(I know, I know)
And if we're still hanging around well that's just fine
Let's get excited
(Look what you do?)

That we just can't hide it
(You've got me burnin')

I'm about to lose control and I think I like it
I'm so excited
(How did you get to me?)
I just can't hide it
(What 'bout you give it?)
I know, I know, I know, I want you, I want you
I want to love you, feel you
Wrap myself around you
I want to squeeze you, please you
I just can't get enough
And if you move real slow, I'll let it go
I'm so excited
(Look what you do to me?)
I just can't hide it
(You've got me burnin')
I'm about to lose control and I think I like it
I'm so excited
(Look what you do to me?)
I just can't hide it
(Why won't you give it?)
I know, I know, I know, I want you, I want you
(Look what you do to me?)
(Look what you do to me?)
(Look what you do to me?)
(Look what you do to me?)
I'm so excited
(Look what you do to me?)
I just can't hide it)
(You've got me burnin')
I'm about to lose control and I think I like it
I'm so excited
(How did you get to me?)
I just can't hide it
(Why won't you give it?)
I know, I know, I know, I want you, I want you
