

# One Night Stand

## Sick of Sarah

I'll make you wonder  
I'll make you wonder now  
Give your fingertips a break  
I'll take you under  
I'll make you wonder now  
I'll make you wonder  
Give your fingertips a break  
I'll take you under  
I'll take you under

And when it starts back in tonight  
You'll ask me if I want to play  
Come and chase me through the night  
And feel this fine line escalate

I'll make you wonder  
I'll make you wonder now  
Give your fingertips a break  
I'll take you under  
I'll make you wonder  
Let me whisper melodies  
Pull me in a little more  
Pull me close, serenity

If you can't stop me  
No you do it, now you'll do it  
No you do it again  
And when you wake up in yesterday's makeup  
You left me with a message  
'Can we still be friends?'

And when it starts back in tonight  
You'll ask me if I want to play  
Come and chase me through the night  
And feel this fine line escalate

I can't believe you're..  
I can't believe you're gone  
I can't believe you're..

I can't believe you're gone

You are my little favorite feeling

Lets sing la la la la la

You were my little favorite feeling

You were my little favorite feeling

Singing whoa oh

I'll catch you at the right time

Not my feeling, not my feeling

You can't stop me

Now you do it, now you do it

Now you'll do it again

And when you wake up

In yesterday's makeup

You left me with a message,

'Can we still be friends?'

And when it starts back in tonight

You'll ask me if I want to play

Come and chase me through the night

And feel me chase your breath away

I can't believe you're..

I can't believe you're gone

I can't believe you're..

I can't believe you're gone
