Skull Castle Decorator

Bill Baird

sad eyed man in a black t shirt
making music for his work
and he can't stand the sunshine
skull castle decoratortelephones are stapled to the ground
he picks it up when it doesn't make a sound
skull castle decoratorand the warning signs groan
that moan in his throat
he's swimming in the moat
skull castle decorator
and the warning signs groan
that moan in your throat
you're swimming in the moat
skull castle decorator
