

Chase Me

Katy B

Late at night, call me on the phone
When I'm all alone and you whisper words of sweetness
Tried to fight, getting in the zone
Gotta stay at home, but seems you know my weakness You keep saying that you're real
Give me something I can really feel
Cause when you say the words
Can't help but feel the worse Chase me
You know them other ones
Don't faze me
But I can't give it up so easy
What if you ain't true
I can't just hand my whole heart to you (you, you)
Saturday
Walking through the end
See you with your friends
Now it's like you don't know me Nothing to say
When I catch your eye
Tell me are you shy
You said you had something to show me You keep saying that you're true
Till you prove it, can't give in to you
Cause when you say the words
Can't help but fear the worst Chase me
You know them other ones
Don't faze me
But I can't give it up so easy
What if you ain't true
I can't just hand my whole heart to you (you, you)
Don't let this go
Just show me that you're true
Just let me know
You won't break my heart in two Patience is a virtue
I won't hurt you, won't deserve you
If you just hold on
Would have been yours all along (along) Chase me
You know them other ones
Don't faze me
But I can't give it up so easy
What if you ain't true
I can't just hand my whole heart to you (you, you)
