Under Our Feet

Frances

Shaking through the smoke
Aching to the bone
Facing fears I've craved and nearly left behind
You're the refuge in my mindIf the world fell into my hands
Could you bet to take the wait?
And if I'd lost and needed my bed
Would you travel all the way?
And there'll be tons of tears that left her
But you know me more than my name
So if the sky flew under our feet
Would you keep it all the same?
Would you keep it all the same?Heaven on the ledge
Everything I know left me
It's not easy when we're miles and miles apart
Can you frame my paper heart?If the world fell into my hands
Could you bet to take the wait?
And if I'd loved and needed my bed
Would you travel all the way?
And there'll be tons of tears that left her
But you know me more than my name
So if the sky flew under our feet
Would you keep it all the same?
Would you keep it all the same?Oh, oh, ooh woah oh, oh, oh
Would you keep it all the same? (OOh, oh, ooh woah oh, oh, oh)
Would you keep it all the same? (OOh, oh, ooh woah oh, oh, oh)
Would you keep it all the same? (OOh, oh, ooh woah oh, oh, oh)
Would you keep it all the same? (OOh, oh, ooh woah oh, oh, oh)If the world fell into my hands
Could you bet to take the wait?
And if I'd lost and needed my bed
Would you travel all the way?
And there'll be tons of tears that left her
But you know me more than my name
So if the sky flew under our feet
Would you keep it all the same?
Would you keep it all the same?
Would you keep it all the same?
Would you keep it all the same?Oh, oh, oh, woah oh
Oh, oh, oh, woah oh

Oh, woah, oh, woah oh
