Hexonxonx

Skinny Puppy

Miles cable claws
driller killer ripping holes
tattered cloth stained
regaining
the weather acid rains
so sweet sweat streaks
downpour on humidityColder time talking hints
watching tests the heat
mangled meat
retaliate
no blaming
in future dreams
could you have stopped it
from happening
best left
spectator
spectacle
traitorAll the time spaced, fast paced
farther down all that trigger
guaging
cage it upCause kills at will
melted prophets
book burning
how undone
written slurs
the meaning
the past they will repeat
hard to hit
so unbeat
melting prophets
the past
melting undoneCause kills at will
Cause kills at will
Causeeeee kills at will...Misted fable role
altogether
mutating
the chains rattle happy
to performEither war or famine
no where arid food growing

warming trends a place
passive cows to feed the weak
product waste give back
orders come in
make a million living things
suffer hidden glad garbage
body bag
what of that change
that could save everything
that paper shredder
patent tender
puts us back in time againHexonxonx your black God
makes me sickBudgets that burst with oil crude gas in purse
no compassion
common criminals
seek asylum
concrete pillow
exxon dreams
hidden hiarchy
no one in power
taking blame
taking blame
taking blame
taking blameee...Cause kills
at will
Cause kills
at will
Cause kills at will...
