Beautiful Mess

Swing Out Sister

I feel crazy while you seem sane
I saw lightning but you just see rain
I hear music, that's my heartbeat playing
In your shadow, I pray
It's a beautiful mess you made
You've had your fun and games
I love you, to you that means so much less
You're like the tear in my brand new dress
It's a beautiful mess
The rush remains as I watch you go
Your kiss still lingers but it's killing me slow
As I shiver in this space where I lay
In your shadow, I pray
It's a beautiful mess you made

You've had your fun and games
I love you, to you that means so much less
You're like the tear in my brand new dress
It's a beautiful mess
It was an innocent mistake
To waste my time on you
When they tell you not to go there
Don't care if you do
In your shadow, I pray
It's a beautiful mess you made
You've had your fun and games
I love you, to you that means so much less
You're like the tear in my brand new dress
And now I'm left with this beautiful mess
