

Carrion

Fiona Apple

Won't do no good to hold no seance
What's gone is gone and you can't bring it back around
Won't do no good to hold no searchlight
You can't illuminate what time has anchored down Oh, honey I've gone away
Oh, honey I've gone away
Honey I've gone away Won't do no good to sing no love song
No sound could simulate the presence of a man
Won't do no good asking no questions
Your divination should acquaint You with the plan Oh, honey I've gone away
Oh, honey I've gone away
Oh, honey I've gone away My feel for you, boy, is decaying in front of me
Like the carrion of a murdered prey
And all I want is to save you, honey
Or the strength to walk away Won't do no good to go no distance
The space between us is as boundless as the dark
Won't do no good to throw no fist, babe
You can't intimidate me back into your arms Because, honey I've gone away
I've gone away
I've gone away
I've gone away
I've gone away
I've gone away My feel for you, boy, is decaying in front of me
Like the carrion of a murdered prey
And all I want is to save you, honey
Or the strength to walk away My feel for you, boy, is decaying in front of me
Like the carrion of a murdered prey
And all I want is to save you, honey
Or the strength to walk away Oh, My feel for you, boy, is decaying in front of me
Like the carrion of a murdered prey
And all I want is to save you, honey
Or the strength to walk away
