

Have Yourself a Merry Little Christmas

Celtic Woman

Have yourself a merry little Christmas
Let your heart be light
From now on, our troubles will be out of sight
Have yourself a merry little Christmas
Make the Yuletide gay
From now on, our troubles will be far away
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more
Hang a shining star upon the highest bough
Have yourself a merry little Christmas now
Have yourself a merry little Christmas now
