When I'm With You

Ben Rector

I go crazy sometimes
Can you believe it?
Yeah I swear I'm fine that I'm alright
But I'm barely breathing
Thought I could find my way back home
But I get lost aloneBut when I'm with you
I'm no longer wandering
When I'm with you
I swear I can breathe
When I'm with you
I know who I am
And who I wanna be
I'm not trying to be dramatic no
Most times I'm pretty normal
Oh let's be clear and honest here
Do away with anything formal
I can fake it on my own
But I am lost aloneWhen I'm with you
I'm no longer wandering
When I'm with you
I swear I can breathe
When I'm with you
I know who I am
And who I wanna be
Who I wanna be
But I am wide-eyed
With a penchant for running
But how many times does it take
Till I find it
I'm lost when I'm alone
That's not where I belong
Cause when I'm with you
I'm no longer wandering
When I'm with you
I can finally breathe
When I'm with you
I swear to God
I swear to God I'm who I wanna be
yeah-eh

I'm who I
I'm who I wanna be
yeah-eh yeah-eh
I'm who I wanna be
yeah-eh yeah-eh
I'm who I
I'm who I wanna be
oh-oh yeah-eh
I'm who I wanna be
