

If It Ain't Love

K. Michelle

I'm right, you're wrong
All night we fight about it, no way around it
Hands up, give up, we don't
Let's stop the shouting
Let's kiss about it Can't explain what it is
I don't want to admit it
That maybe I'm addicted to you It's crazy, amazing
All wrapped in one, if it ain't love
I don't know what is
It's perfect, worth it
We'd turn and run, if it ain't love
I don't know what is
Makes us insane, no one's to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up, if it ain't love
I don't know what is I'm here, you're there
You say I'm complicated
But you can take it
One glass, I can't
Stop my heart when it races
I wouldn't change it Can't explain what it is
I don't want to admit it
That maybe I'm addicted to you It's crazy, amazing
All wrapped in one, if it ain't love
I don't know what is
It's perfect, worth it
We'd turn and run, if it ain't love
I don't know what is
Makes us insane, no one's to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up, if it ain't love
I don't know what is Oh!
It's gotta be a good reason
Why I come right back to you
I don't want no one to take your place
'Cause baby this love, this love! It's crazy, amazing
All wrapped in one, if it ain't love

I don't know what is
It's perfect, worth it
We'd turn and run, if it ain't love
I don't know what is
Makes us insane, no one's to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up, if it ain't love
I don't know what is, yeahOh!
If it ain't love
Oh!
