Inca Roads

The Mothers of Invention

Frank zappa (guitar, vocals)
George duke (keyboards, synthesizer, lead vocals)
Napoleon murphy brock (flute, tenor saxophone, vocals)
Chester thompson (drums)
Tom fowler (bass)
Ruth underwood (vibes, marimba, percussion)
Bloodshot rollin' red (harmonica)Did a vehicle
Come from somewhere out there
Just to land in the andes?
Was it round
And did it have
A motor
Or was it
Something
DifferentDid a vehicle
Did a vehicle
Did a vehicle
Fly along the mountains
And find a place to park itselfOr did someone
Build a place
To leave a space
For such a vehicle to landDid a vehicle
Come from somewhere out there
Did a vehicle
Come from somewhere out there
Did the indians, first on the bill
Carve up the hillDid a booger-bear
Come from somewhere out there
Just to land in the andes?
Was she round
And did she have a motor
Or was she something differentGuacamole queen
Guacamole queen
Guacamole queen
Guacamole queen
At the armadillo in austin texas, her aura,
Or did someone build a place
Or leave a space for chester's thing to land
(chester's thing... on ruth)

Did a booger-beer
Come from somewhere out there
Did a booger-bear
Come from somewhere out there
Did the indians, first on the bill
Carve up her hill
On ruth
On ruth
That's ruth
