

# Inca Roads

## The Mothers of Invention

Frank zappa (guitar, vocals)

George duke (keyboards, synthesizer, lead vocals)

Napoleon murphy brock (flute, tenor saxophone, vocals)

Chester thompson (drums)

Tom fowler (bass)

Ruth underwood (vibes, marimba, percussion)

Bloodshot rollin' red (harmonica)Did a vehicle

Come from somewhere out there

Just to land in the andes?

Was it round

And did it have

A motor

Or was it

Something

DifferentDid a vehicle

Did a vehicle

Did a vehicle

Fly along the mountains

And find a place to park itselfOr did someone

Build a place

To leave a space

For such a vehicle to landDid a vehicle

Come from somewhere out there

Did a vehicle

Come from somewhere out there

Did the indians, first on the bill

Carve up the hillDid a booger-bear

Come from somewhere out there

Just to land in the andes?

Was she round

And did she have a motor

Or was she something differentGuacamole queen

Guacamole queen

Guacamole queen

Guacamole queen

At the armadillo in austin texas, her aura,

Or did someone build a place

Or leave a space for chester's thing to land

(chester's thing... on ruth)

Did a booger-beer  
Come from somewhere out there  
Did a booger-bear  
Come from somewhere out there  
Did the indians, first on the bill  
Carve up her hill  
On ruth  
On ruth  
That's ruth
