

# Just Stand Back

## Low

I can't decide  
And I can't hide  
Make up my mind  
It's a waste of time Here comes the knife  
You better just stand back  
I could turn on you so fast It's a hit  
It's got soul  
Steal the show  
With your rock and roll With a swing like that  
You better just stand back  
I could turn on you so fast Just like diamonds in your hand  
I'll just cut you in the end  
The end One more step  
And I'll slit your neck  
You'll get used to it You better just stand back  
I could turn on you so fast I could turn on you so fast  
I could turn on you so fast  
(Just like diamonds in your hand)  
I could turn on you so fast  
I could turn on you so fast
