Down On The Street

The Stooges

Huh!

Down on the street

Where the faces shine.

Floatin' around I'm

A real low mind.

See a pretty thing - ain't no wall.

See a pretty thing - ain't no wall.

No wall,

No wall,

No wall.

Uuh!

Yeah deep in the night

I'm lost in love.

Yeah deep in the night

I'm lost in love.

A thousand lights

Look at you.

A thousand lights

Look at you.

I'm lost, I'm lost - yeah.

Huh

Faces shine - real low mind.

Real low mind.

I'm a real low mind.

Real low mind
