# Blinded By Power

## Acrania

Do you think I'm so stupid to forget you?
To forgive you?
Take care when you look at the skyDo you think I'm so ignorant to believe you?
To follow you?
Looking at the sun can make you blind
Can make you blindAs we advance
Loud and Fast
Overthrow
One last standSee my hate
Feel my pain
This protest
Take revenge
It's your crime
It's my time
Don't hesitate
We will fightLive for Evermore
Martyr you say?
It won't stop
We want our deathsTell me what's right
Living oppressed
Life is not life
Waiting for deathAs we advance
Loud and Fast
Overthrow
One last stand
See my hate
Feel my pain
This protest
Take revenge
