

# Vampire

**Bap Kennedy**

You only come around at night  
Well I really should have known  
Serves me right  
Never invite a vampire into your home  
I'm not the worst, I'm not the best  
I'm in between like all the rest  
But you've got to go  
Never invite a vampire into your home If you don't have peace of mind, you don't have anything  
I listened and I listened  
It's time you flapped your wings  
My energy is gone  
I'm sick in my soul  
Never invite a vampire into your home  
Now I can see that I was wrong  
You were a vampire all along  
And now I know  
Never invite a vampire into your home
