

There is a Light That Never Goes Out

Dum Dum Girls

Take me out tonight
Where there's music and there's people
And the young are alive Driving in your car
I never, never want to go home
Because I haven't got one anymore Take me out tonight
Because I want to see people
And I want to see life Driving in your car
Oh, please don't take me home
Because it's not my home, it's their home
And I'm welcome no more And if a double-decker bus
Crashes into us
To die by your side
Is such a heavenly way to die And if a ten ton truck
Kills the both of us
To die by your side
Well, the pleasure of the privilege is mine Take me out tonight
Take me anywhere
I don't care, I don't care, I don't care And in the darkened underpass
I thought oh, God, my chance has come at last
But then a strange fear gripped me and I just couldn't ask Take me out tonight
Oh, take me anywhere
I don't care, I don't care, I don't care Driving in your car
I never, never want to go home
Because I haven't got one
Oh, I haven't got one And if a double-decker bus
Crashes into us
To die by your side
Is such a heavenly way to die And if a ten ton truck
Kills the both of us
To die by your side
Well, the pleasure of the privilege is mine There is a light and it never goes out
There is a light and it never goes out
There is a light and it never goes out
