

# Fly To The Rainbow

## Scorpions

Life is empty, can't remember anytime before  
On a plain lit cold December, see it evermore  
Gliding through this life and another as a child  
Ever doing games and losing things, always playing gigs  
Somewhere in the sky, where the moon the stars shine  
bright  
Where the sun is shining in the night  
I am in disgrace, yet I see your smiling face  
And I hope you let me share your place  
I don't live today  
Rain in the sky made the world fly  
Into time, back beyond time  
Sun in the sky made the world fly  
Into time, back beyond time  
Rain in the sky made the world fly  
Into time, back beyond time  
Sun in the sky made the world fly  
Into time, back beyond time  
Rain in the sky made the world fly  
Into time, back beyond time  
Sun in the sky made the world fly  
Into time, back beyond time  
Well, I lived in magic solitude  
Of cloudy looking mountains  
And a lake made out of crystal raindrops  
Roaming through space  
Two thousand years ago  
I've seen the giant city of Atlantis  
Sinking into eternal wave of darkness  
Somewhere in the blue distance  
Are those long forgotten trees of yore  
A broken violin floatin' alone in December  
Darkness everywhere and nothing more  
Symbol, strange symbol, melancholy  
Painting torrid colors on a sky of green  
Candle breathing one night only  
Far away, in chillness, bleak, unseen  
Drifting galley, ghostlike shadow  
Sails rigged to catch and kill the time  
Echoes wandering down an endless meadow  
I feel sublime
