

Olympic Airways (Single Version)

Foals

Sun up, we wait all day
Sun's up, we wait all day, all day
While the hell outside is kept away
If only we could move away from here
This is how we build a place
An aviary for today
An aviary for today
Let's disappear till tomorrow
Let's disappear till tomorrow
Disappear
Disappear
Disappear Blow up these plane parades, let's go
To an aviary far from home
To an aviary far from home
A one hand clap is me and you, and you, and you
While the hell outside is kept away
If only we'd moved away
Disappear
Disappear
Disappear Last vacation was the same
We could move away
Last vacation was the same
We could move away
Last vacation was the same
(The same) Sun down now
We have built our place
An aviary
Forever
An aviary
Forever
Forever
Forever
