

# Doctor Worm

## They Might Be Giants

They call me Dr. Worm  
Good morning, how are you? I'm Dr. Worm  
I'm interested in things, I'm not a real doctor  
But I am a real worm, I am an actual worm, I live like a worm I like to play the drums, I think I'm getting good  
But I can handle criticism, I'll show you what I know  
And you can tell me if you think I'm getting better on the drums  
I'll leave the front unlocked 'cause I can't hear the doorbell When I get into it I can't tell if you are  
Watching me twirling the stick  
When I give the signal  
My friend, Rabbi Vole, will pay the solo Someday, somebody else besides me  
Will call me by my stage name, they will call me Dr. Worm  
Good morning, how are you? I'm Dr. Worm  
I'm interested in things, I'm not a real doctor  
But I am a real worm, I am an actual worm, I live like a worm And I like to play the drums, I think I'm getting  
good  
But I can handle criticism, I'll show you what I know  
And you can tell me if you think I'm getting better on the drums  
I'm not a real doctor but they call me Dr. Worm
