

# As Time Goes By

[Ray Conniff](#)

You must remember this  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental things apply  
As time goes by And when two lovers woo  
They still say I love you  
On that you can rely  
No matter what the future brings  
As time goes by Moonlight and love songs Never out of date  
Hearts full of passion  
Jealousy and hate  
Woman needs man  
And man must have his mate  
That no one can deny
