

# So I Could Find My Way

Enya

A thousand dreams you gave to me  
You held me high  
You held me high  
And all those years you guided me  
So I could find my wayHow long your love had sheltered me  
You held me high  
You held me high  
A harbour holding back the sea  
So I could find my waySo let me give this dream to you  
Upon another shore  
So let me give this dream to you  
Each night and evermore  
Yet only time keeps us apart  
You held me high  
You held me high  
You're in the shadows of my heart  
So I can find my wayYou held me high  
You held me highSo let me give this dream to you  
Upon another shore  
So let me give this dream to you  
Each night and evermore  
A thousand dreams you gave to me  
You held me high  
You held me high  
And all those years you guided meSo I could find my way  
So I could find my way
