Jeff Acree

Link 80

Buying drugs off the street from angry homeboys that you meet
drinking till your face turns blue
trached your truck and your car too
Jeff Acree fucked his truck up
Jeff Acree fucked his truck up
doing speed and smoking dope
you live your life devoid of hope
getting beat when you pick fights
you have no car you ride a bike
Jeff Acree fucked his truck up
Jeff Acree fucked his truck up
