

Cop vs. Phone Girl

Third Eye Blind

Shakara showed up to class
She pulled out her mobile phone
It's the one thing that she owns
to keep her known
She's an orphan now
She just moved to a foster home
That phone keeps her connected
She's gonna keep that shit protected
The teacher said get out of the class
Come on, can I stay?
And to his shame, he said the calls been made
I hear footsteps sounding eager
of a cop that's about to beat her
Now I am all
I am all for the good fight
if the cops roll by
throw a peace sign
Hey baby have a good night
I am all for the good fight
and if the cops roll by
Let the colors go blind
say hey the kids, hey the kids, hey the kids
Are alright
Officer Slam came in
threw Shakara backwards against the wall
I mean he flipped her just like a ragdoll and broke her arm
Tossed her across that room face down on the deck
He put his hand around a 16 year-old-girl's neck
Now I am all
I am all for the good fight
if the cops roll by
throw a peace sign
Hey baby have a good night
I am all for the good fight
and if the cops roll by
Let the colors go blind
say hey the kids, hey the kids, hey the kids
Are alright
Ooooh ooh ooh,
All the kids are alright
Ooooh ooh ooh ooh,
all the kids are alright
It's a lot to take in

I'll keep it simple here
And on the classroom floor
there's a little blood spatter
Why's it so hard to say
Black Lives Matter?
it doesn't mean that you're anti-white
Take it from meâ€”I'm super fucking white,"
And on the tellie, hey that's Megyn Kelly
On The Kelly File, says Fox News Corp is proud of you
You're the girl who stood back to a brutal attack
Come do a victory lap, come get bap on the back
Hey I fooled you, that never really happened
I mean come on, could you imagine?
Come on..
So I take it in my hands
I talk about the shit in my rock band
And I got black fans and I got fans with suntans
And we all have the same demands Say I am all
I am all for the good fight
if the cops roll by
throw a peace sign
Hey baby have a good night
I am all for the good fight
And if the cops roll by
Let the colors go blind
say hey the kids, hey the kids,
Hey the kids, are alright
Ooooooh, whoooooa
All the kids are alright
Ooooooh, ooh, ooh
all the kids are alright
