

Forgot to Laugh

Bridgit Mendler

When I read your face, it's like a screen door
I can see right through, your heart's a window
Why you gotta treat me like the bimbo
Who sticks it out when you don't care anymore? You make it so easy,
You're sweet like a Reese's Pieces
But I promise, if you leave me
You'll be crawling on your knees So if you go,
It's a joke If you drive away,
Hope you get a flat tire, get stranded
If it's good-bye today,
Know you're leavin' here empty handed 'Cause I got my own life and
You're just a punch line
If you go, you're a joke
And I forgot to laugh You don't like it when I check your iPhone
I don't even get my own ringtone
When you're headin' out with all your best bros,
You don't wanna tell me where you guys go You say that I'm needy,
Like a kid needs Reese's Pieces
But I promise, if you leave me
You'll be runnin' back to me At my door,
What a joke If you drive away,
Hope you get a flat tire, get stranded
If it's good-bye today,
Know you're leavin' here empty handed 'Cause I got my own life and
You're just a punch line
If you go, you're a joke
And I forgot to laugh So if you're sayin' "peace" like
You're so over me, tryin'
To seem like I'll be there,
I gotta laugh You're more like a ducky,
You're a cute little bunny,
Think that you're funny,
I forgot to laugh, laugh Like a diamond in a mountain of coal,
I'm the girl that guys can't find anymore If you drive away,
Hope you get a flat tire, get stranded
If it's good-bye today,
Know you're leavin' here empty handed 'Cause I got my own life and
You're just a punch line
If you go, you're a joke

And I forgot to laugh If you drive away,
Hope you get a flat tire, get stranded
If it's good-bye today,
Know you're leavin' here empty handed 'Cause I got my own life and
You're just a punch line
If you go, you're a joke
And I forgot to laugh Na-na-na-na-na, na-na-na-na-na
Na-na-na-na-na, na-na-na-na-na Na-na-na-na-na, na-na-na-na-na
Na-na-na-na-na, na-na-na-na-na Na-na-na-na-na, na-na-na-na-na
Na-na-na-na-na, na-na-na-na-na Na-na-na-na-na, na-na-na-na-na
Na-na-na-na-na, na-na-na-na-na I forgot to laugh
