Wrapped Up

CDM Pop Project

Now excuse if I sound rude
But I love the way that you move
And I see me all over you now
Baby when I look in your eyes
There's no way that I can disguise
All these crazy thoughts in my mind now
There's just something about you
You got the lock
I got the key
You know the rest
You know just where I wanna be
Don't ever stop controlling me
I kinda like it when you bring me to my kneesYou got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down
(You got me wrapped up baby)I don't ever wanna give up
All this spell you got me under
I see fireworks when we touch now
(There's just something about you)
Your body fits on mine like a glove
Let them say whatever they want
It's too late cause you're in my blood now
(There's just something about you)
You got the lock
I got the key
You know the rest
You know just where I wanna be
Don't ever stop controlling me
I kinda like it when you bring me to my kneesYou got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down
(Girl, you got me wrapped up)
You got me so, so wrapped up
There's just something about you
You wrapped up

You got me so, so wrapped up
There's just something about youMy princess so intelligent
Make me wanna reapply to school for the hell of it
I'll be the student, you be the teacher
Ms. Sophisticated, such a pleasure to meet ya
Yeah, but here's the only issue since we met
You kinda turned my world upside down
And I don't really mind Spiderman kissing you
As long as you're planning on sticking around
The happiest boy in the world award goes to me
Not a chance nobody came close to 'em
I kinda knew you was troublesome
You got me wrapped around your finger like bubblegumEverything that you do
Every way that you move
There's just something about you
There's just something about you
Everything that you do
Every way that you move
There's just something about youGirl you got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down
(Girl, you got me wrapped up)
You got me so, so wrapped up
There's just something about you
You wrapped up
You got me so, so wrapped up
There's just something about you
