

Sign Of The Times

Quiet Riot

Well, I have street sense radar
Ooh, is supposed to be news
You better lock up your daughters
You never know when we're due Good news, bad news
It's all the same
Addicts on main streets
They give us the blame Hey, hey, hey, hey
We're a sign of the times
Having fun ain't no crime
We're a sign of the times
Having fun all the time, yes Great impersonators
We broke all the rules
We laugh with our masks on
And the joke is on you You're getting furry
It does you no good
It's the same old story
It's a human zoo Hey, hey, hey, hey
We're a sign of the times
Having fun ain't no crime
We're a sign of the times
Having fun all the time, yeah My, my, my, my, yeah
Hey, hey, hey, hey
Cha, cha I see a sign up ahead
Got it's lights flashing red
I can see you're the same
These are the words that I read Long live rock and roll
Long live rock and roll
Long live rock and roll
It's gonna save your soul Good news, bad news
It's all the same
Addicts on main streets
Please, please give us a break Hey, hey, hey, hey
We're a sign of the times
Having fun ain't no crime
We're a sign of the times
Having fun all the time Hey, we're just a sign of the times
We're just a sign of the times
We're just a sign of the times, yeah We're a sign of the times
Having fun all the time

Hey, hey, hey, hey
