Here In My Arms

The Sunstreak

I remember days when loving you wasn't so hard
From the moment that I saw you
I just knew that you had stolen my heart
We'd be lying on the roof top laughing
Just counting the stars
And now I wonder if you see them in the sky
From where ever you areSo stay strong
and breath in
and don't try to pretend
Nothing lasts forever in the endHere in my arms is right where you belong
Slow dancing every night
And I hear your voice
And I know all along
Thats it's only a matter of time
Until you're here by my side
Cause you're the love of my life.From the moment you were gone
Things have never really been the same
In the middle of the night
I find myself calling out your name
But i know i can't take anymore
I can't walk away
I'm trying so hard to let it go
And just take the blameSo stay strong
And breath in
And don't try to pretend
Nothing lasts forever in the endHere in my arms is right where you belong
Slow dancing every night
And I hear your voice
And I know all along
Thats it's only a matter of time
Until you're here by my side
Cause you're the love of my life.So stay strong
And breath in
And don't try to pretend
Nothing lasts forever in the endHere in my arms is right where you belong
Slow dancing every night
And i hear your voice
And i know all along
Thats it's only a matter of time

Until you're here by my side
Cause you're the love of my life.
