

# Six Weeks

## Of Monsters and Men

Slow, slow me down,  
Her blood, on my bones.  
Let go, lay to rest. We fall, we fall, we fall,  
We fall to the ground. Sleep, sleep all night  
While the young, they wait alone.  
So get up, shake the rust.  
We crawl, we crawl, we crawl,  
We crawl on the ground. Alone, I fight these animals.  
Alone, until I get home. A wolf, wolf and I,  
We share the same cold meal.  
I float on, float on down.  
We ride, we ride, we ride  
We ride it all out. We ride, we ride, we ride  
We ride it all  
Ride, we ride, we ride  
We ride it all  
Ride, we ride, we ride  
We ride it all out.[x4:]  
Alone, I fight these animals.  
Alone, until I get home. Coming back, I'm coming back.  
Coming back, I'm coming back.  
She follows me into the woods,  
Takes me home  
She follows me into the woods,  
Takes me home[x3:]  
Coming back, I'm coming back.  
Coming back, I'm coming back.  
She follows me into the woods,  
Takes me home
