After Life In Purgatory

Lock Up

This whole world's a homicide victim
No one cares for no one
Another spoke on the wheels of suffering
Punished for nothingWe lie, we cheat, we steal for what
For a knife in the back of trust
Crushed beneath the hands of slaughter
To a future without any hopeThere are no saviors
There are no favors
After life in purgatoryChained by our own hypocrisy
Submerged in hate and fear
As we dawn upon a new age
Expression is rageChild's cry beckoning
Days of reckoningNo use accusing
The answers are not there
No use pretending
That it gets any better than thisThis whole world's a homicide victim
No one cares for no one
Another spoke on the wheels of suffering
Punished for nothingThere are no saviors
There are no favors
After life in purgatory
