You Fucked Yourself

Quasi

You fucked yourself
And you don't know where to go
Split wide open like a sturgeon for the row
Blood was splashed on pure white snowYou fucked yourself
And you're looking for the go
Drown in your sink
Condemned if you float
You placed the blame but missed the boatYou fucked yourself
You chose your fate
You changed your mind
When it's too late
Your self-deceit, your worst mistake
