

# Love Her With a Feeling

Dave Renson & Pat Ramsey

If you love a woman  
You better love her with a thrill  
Cuz' if you don't  
Some other man will

Chorus: r her with a feeling  
You better love her with a feeling  
Love her with a feeling  
Or don't you love her at all

Shes shakes all over  
When she walks  
She made a blind man see  
She made a dumb man talk

Repeat Chorus

No..No..

(harmonica "harp" solo")

I've got a woman  
She's kind of nice and fat  
When she makes love boys  
It's aahhh good like that

Repeat chorus

(guitar solo: Dave Renson on lead guitar)

The cops took her in  
That woman didn't need no bail  
She wiggled for the judge  
The judge threw all the cops in jail

Repeat chorus
