

# I Predict a Riot

McFly

Watching the people get lairy  
Is not very pretty I tell thee  
Walking through town is quite scary  
And not very sensible either  
A friend of a friend he got beaten  
He looked the wrong way at a policeman  
Would never have happened to Smeaton  
And old Leodiensian  
La-ah-ah, la la lalala la  
Ah-ah-ah, la la lalala laI predict a riot, I predict a riot  
I predict a riot, I predict a riotI try to get to my taxi  
A man in a tracksuit attacks me  
He says that he saw it before me  
And wants to get things a bit gory  
Girls scrabble round with no clothes on  
To borrow a pound for a condom  
If it wasn't for chip fat they'd be frozen  
They're not very sensibleLa-ah-ah, la la lalala la  
Ah-ah-ah, la la lalala laI predict a riot, I predict a riot  
I predict a riot, I predict a riotAnd if there's anybody left in here  
That doesn't want to be out thereWatching the people get lairy  
Is not very pretty I tell thee  
Walking through town is quite scary  
And not very sensibleLa-ah-ah, la la lalala la  
Ah-ah-ah, la la lalala laI predict a riot, I predict a riot  
I predict a riot, I predict a riotAnd if there's anybody left in here  
That doesn't want to be out thereI predict a riot, I predict a riot  
I predict a riot, I predict a riot
