Planted In The Dark

Idiot Pilot

I just called to sayI got your message the other day
Passed it down on the alleyway
Slid inside the cracks in the wallI just called to say
I just called to say
I just called to sayI got your message the other day
I found a nest under my sleeve
I covered it and scratched it till I bledWas it all a plan for me
To bury skins under the seam?
Was it all a plan for me
To bury skins under the seam?
Was it all a plan for me?I just called to say
I just called to say
I just called to say
I just called to sayI whisper in the wind
And you're a goddamn tree
I'm gonna blow your leaves
I'm gonna blow your leaves
