The Man Who Sends Me Home

Laura Nyro

There's a man who loves me
When it hurts inside
There's a man who loves me
When my hair is tiedWhen my hair is down
When I touch the man
Lord, I rise
To rooftops in his eyesAnd don't you know
Now or never, never
Never will I roam'Cause he's the man
He's the man
Who sends me home
Sends me home
