

# If You Don't Want My Love

**Richard Marx**

I know you have reservations and you're just along for the ride

But I see a slight hesitation, what are you trying to hide? Don't be afraid to bare your soul

Nothing you say could be too bold, I'm growing old If you don't want my love, tell me now 'cause I'll survive

If you don't want my love, I'm sure that somebody does tonight You make a grown man quiver, it might be hard  
to believe

But it's time to stand and deliver, you've just been playing with me I don't want to blow my only chance

But you've got to show me where you stand or drop my hand If you don't want my love, tell me now 'cause I'll  
survive

If you don't want my love, it won't be the end of my life If you don't want my love, night will fall and the sun  
will rise

If you don't want my love, I'm sure that somebody does tonight I don't want to blow my only chance

But you've got to show me where you stand or drop my hand If you don't want my love, tell me now 'cause I'll  
survive

If you don't want my love, it won't be the end of my life If you don't want my love, night will fall and sun will  
rise

If you don't want my love, I'm sure that somebody does tonight If you don't want my love, ain't gonna worry  
tonight

If you don't want my love, well somebody does tonight
